Instructions for Freedom of Choice Certification

Within seven (7) days of initial enrollment and at least annually thereafter, the plan case manager shall review the Freedom of Choice Certification with the plan member (enrollee) and obtain the enrollee's signature on the completed certification.

In the enrollee information panel at the top of the form, enter the enrollee's:

- First and last name in the Enrollee Name field;
- Medicaid Identification (ID) Number; and
- Date of Birth (DOB).

If the enrollee has an authorized representative, provide:

If the enrollee or authorized representative responds that information about Medicaid services available in the community has **not** been received, then review the descriptions of home and community-based services and options for receiving Medicaid services in the community (as applicable) with the enrollee before completing the Freedom of Choice Certification.

Request that the enrollee or authorized representative read and review the Freedom of Choice Certification and indicate enrollee choice for receiving Medicaid services.

Obtain the enrollee's or enrollee authorized representative's signature above his or her printed name.

After the enrollee/authorized representative agrees to allow the case manager to attest to the choice indicated by the enrollee/authorized representative, the plan case manager shall sign and date the certification form and place it in the plan member's (enrollee) file.

A copy of the completed and signed certification shall be provided to the enrollee/authorized representative via hand delivery or mail within five (5) business days of the date of certification.
